

Prayer:

Oh God whose Son Jesus is the good shepherd of your people: help us when we hear his voice to know him who calls us each by name, and to follow where he leads; who with you and the Holy Spirit lives and reigns, one God, for ever and ever. Amen.

ARCHBISHOP'S ROADSHOW
SAVE THE DATE

20 July and 17 August

The experiences of this past year have impacted significantly on our Church. Crisis can be an opportunity for change. These Archbishop's Roadshows will be an opportunity to build on the theme of our conference: 'Reimagining the Future'. Each day will comprise two sessions, afternoon and night. Clergy are expected to attend ONE session only. These will be an opportunity for all clergy, ASLMs and laity to meet with the Archbishop and some of the members of the Diocesan Office. In particular our new General Manager Justin Lachal and the Registrar Malcolm Tadgell. It is also an opportunity to gather across parishes.

The Roadshows and the conference will be the opportunity to share with you a guide for 'Reimagining the Future'. It is hoped that it will be an encouragement for you and your leadership to engage in some thinking around mission, values, context & strategy.

A separate email will follow in due course.

We are very much wanting this to be an in-person event and we need your registrations.

Saturday 15 May 10am-3.30pm at Camberwell Girls' Grammar School.

I am thankful for Dr Tim Jones' engagement with us regarding the legislation. He did this in the context of the story of the research project he leads investigating LGBTQA+ conversion practices in Australia and the advocacy of survivors of conversion practices.
